MARTHA'S  
VINEYARD  
REGIONAL  
HIGH SCHOOL  
OAK BLUFFS,  
MASSACHUSETTS

## *Dedication*

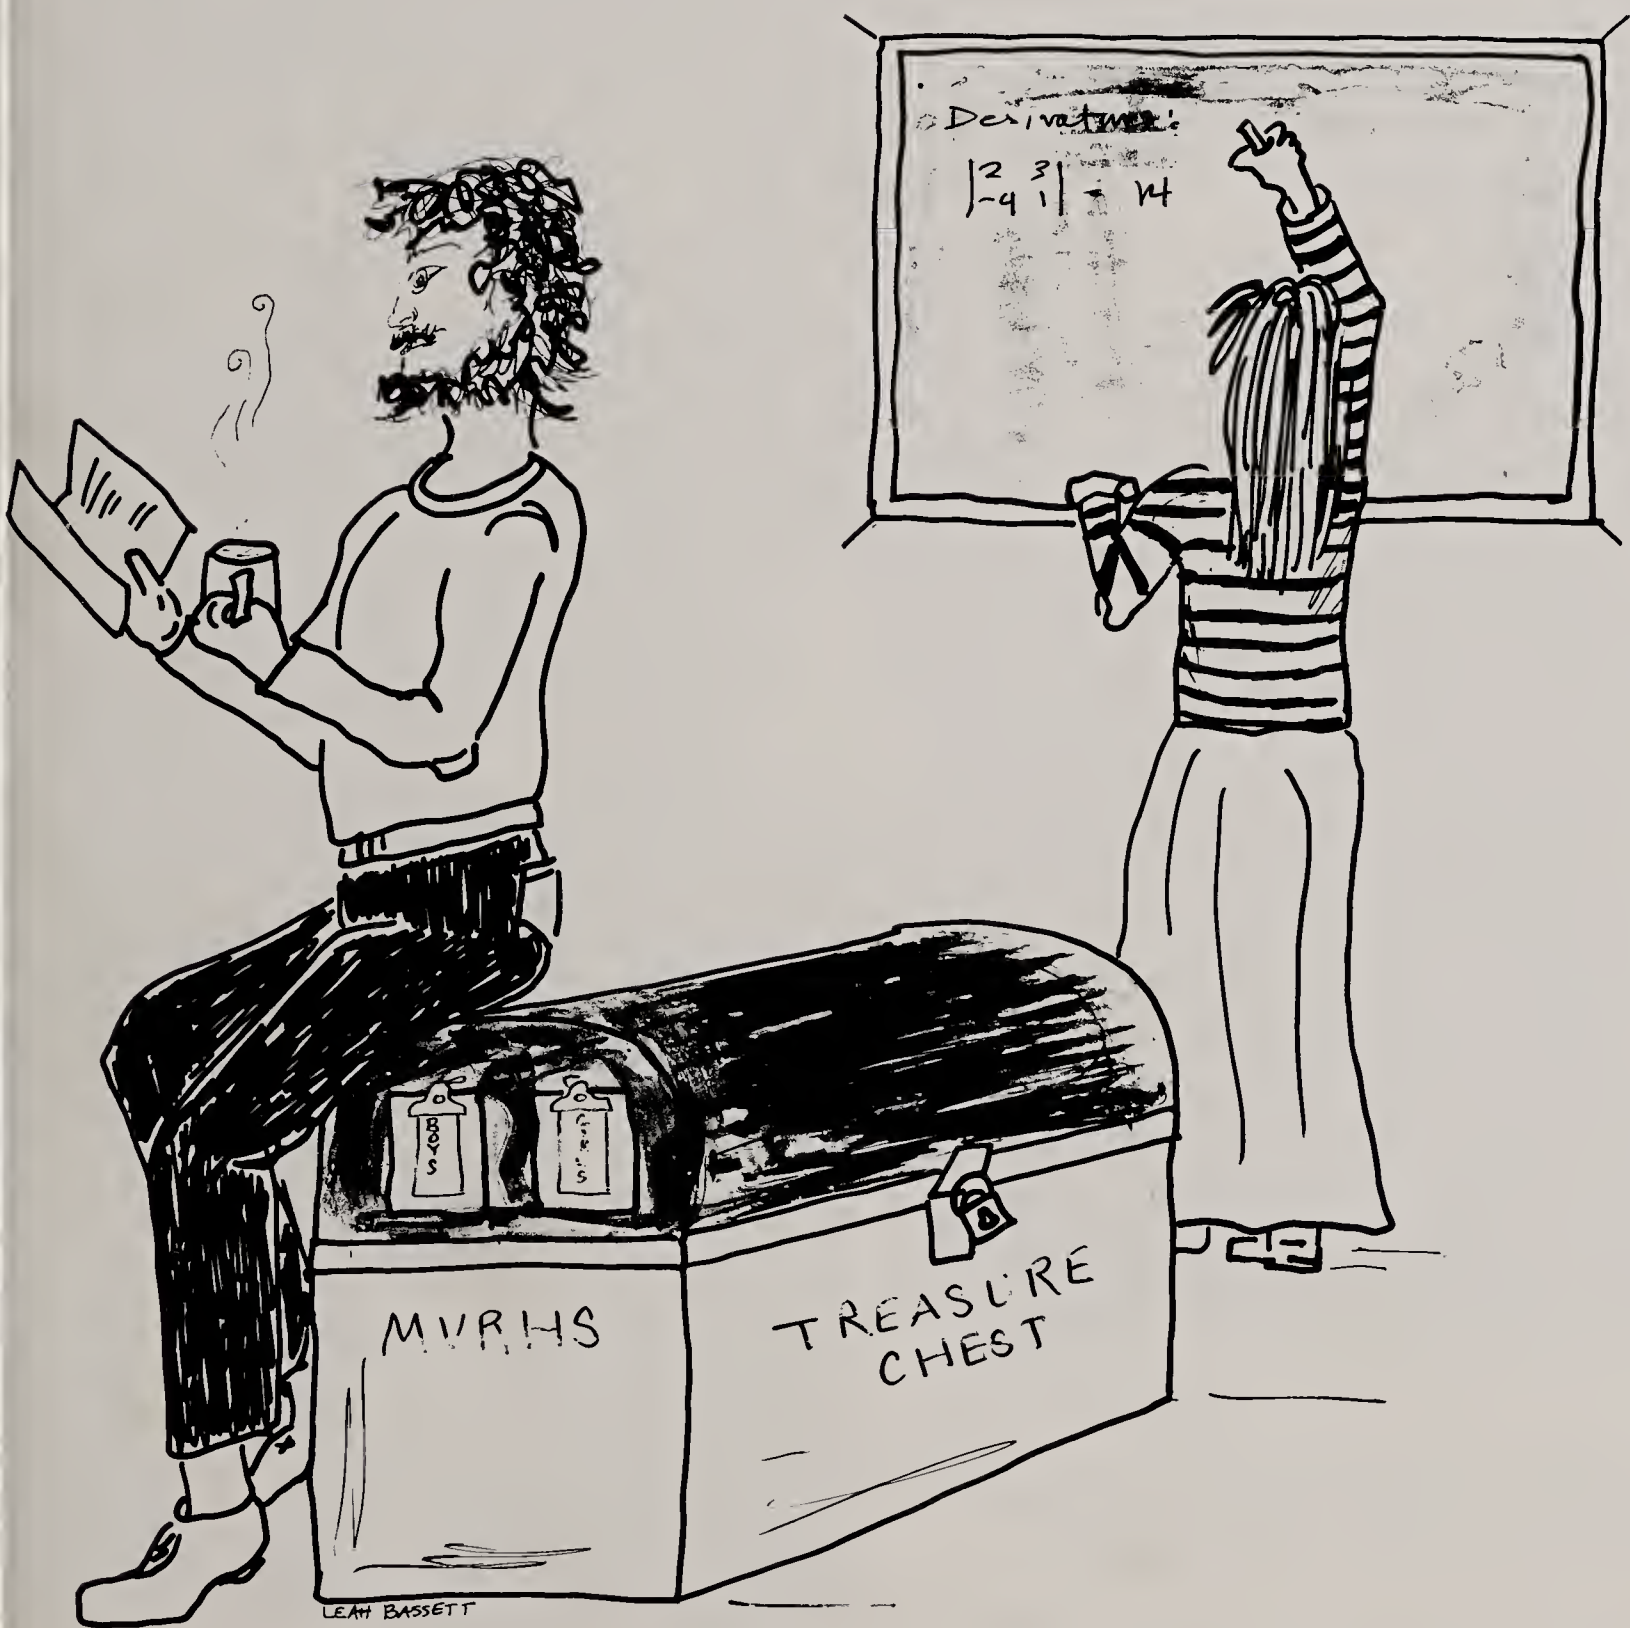

As we, the class of 1992, prepare to say a fond farewell to MVRHS, we thank those who took time to make our four years memorable and enjoyable.

Two people who have done just that are Ann and Duncan Ross, our class advisors. We are grateful for their patience, understanding and never-ending support.

It is with warm heartfelt wishes that we say one final thank you to those two special people and respectfully dedicate the 1992 Vineyarder to them.

**WE REMEMBER:** Crossburns . . . injuries . . . torn meniscus . . . broken nose . . . appendectomy . . . achilles tendon . . . exit ramp . . . leaving J. P. at McDonalds . . . beating Nauset . . . Coogan's comeback . . . "I will buy dem" . . . Ted Conte . . . Great fan support . . . Alec's goal at Nauset . . . Bob's soccer ball . . . Moose Beaker . . . Alex F. being everywhere at once on the field. This year's season was highlighted by a win over Nauset at Nauset. Alec Gale scored with less than five minutes to go to win the game. Jeff Tomkins played goalie and stopped all but one shot in the rain. Several injuries to key players made it difficult for the Vineyarders to have a more successful season. Martin, in addition to being the top goal scorer with ten, was voted to the Cape and Island's All Star Team. The varsity will look to improve next year with many experienced players returning. The JV Boys' continued their success right where they left off last year when they finished undefeated. This year's team lost only one game and enjoyed a fine season. Jon Mone contributed 18 goals and 8 assists to lead the team. Other goal scorers included, Ed Kildergarde, Tim Gregory, Mike Tomkins, Ben Robinson, Devin Healy, Brian Wright and Greg Leland. The Vineyard outscored their opponents by a margin of 42-13. Goalies for this year's team were Brian Wright (4-1-2) and Devin Healy (5-0-1). As with any JV team, each year brings new faces to the program, so each season is unpredictable. Let's just hope they can continue the tradition that the Vineyard has established at this level. (Coach Schroeder would like to thank Pat Gregory and Walter Tomkins for their help during the season.)

# Class History

Finally, the class of 1992 has made it to senior year, with lots of help from our class advisors Mr. and Mrs. Ross.

With tons of fears, we entered into the high school, realizing what it's like to start again in a new school. Like every other freshman class, having doubts about lockers, seniors, teachers, and classes, we settled into our new place.

As our sophomore year jumped at us, we learned about the ways of the school, and started to become experts at the field of being a student at the Martha's Vineyard Regional High School. This was the year we began to really pull together as a class.

Junior year was a great year for our class. The Prom was a lot of hard work and fundraising. Even though we did have difficulties in choosing which background to use, we pulled it off with flying colors. The theme was "Unchained Melody," our first year with a prom queen and king, who were Kristen Tidmarsh and Will Coogan.

Now, with only a little time until we graduate, we're trying to look into our future, with doubt and fascination.

It's really hard to believe that our class has made it through four years so quickly. The times we spent here will never be forgotten and neither will our friendships. Just as the times that we spent here will be missed, so will the people. So, to everyone in the class of 1992, good luck in whatever you pursue.

## JASON BAIRD

— An Indian Prayer —

O' GREAT SPIRIT

Who's voice I hear in the winds, and who's breath gives life to all, hear me! I am small and weak, I need your strength and wisdom.

Let me walk in beauty, and make my eyes ever behold the red sunset.

Make my hands respect the things you have and make my ears sharp to hear your voice.

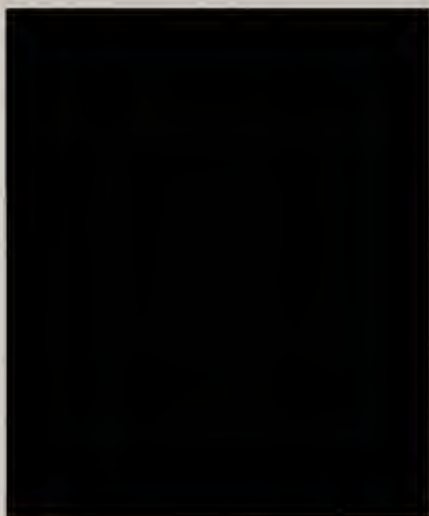

Make me wise so that I may understand the things you have taught my people.

Let me learn the lesson you have hidden in every leaf and rock.

I seek strength, not to be greater than my brother but to fight my greatest enemy — myself.

Make me always ready to come to you with clean hands and heart.

So when life fades, as the fading sunset, my spirit may come to you without shame.

On behalf of the 1992 yearbook staff, I would like to take a moment to express my gratitude to everyone who played a part in making this yearbook possible. I would especially like to thank Mrs. Campbell, Mr. Frame, and all the students in their classes who took time out of their busy schedules to help make this yearbook a success. Of course this yearbook is more than just type, therefore, I would like to thank Jacqueline Baer for her photography.

As editor, I saw the work and effort that went into this book of memories. I know of all the long hours spent collecting photos, writing poems, drawing pictures, pasting and typing pages, and all other details involved in a project of this magnitude.

May the class of 1992 hold onto this book as a reminder of times past, friends made and good times spent in the hallowed halls of MVRHS.

Sincerely  
Jennifer L. Pacheco  
Editor
